Individual Involvement in Demonstration:

This document records the active participation and role of Individual during the project demonstration. It ensures that the individual contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

S.No	Individual Member Name	Role in Demo	Section Presented	Contribution Summary	Participation (Active / Passive)
1.	Sakshi Bhiryani	Individual Developer & Presenter	End-to-End Presentation (Problem, Math Model, Code Architecture, Gemini AI Quiz, SQLite DB, Streamlit Dashboard)	Led the complete end-to-end demonstration, presented all technical architecture components, executed live UI/API feature tests, and answered evaluator Q&A queries.	Active

Individual Coordination Notes:

Aspect	Details
Developer / Coordinator	Sakshi Bhiryani (<i>Individual Project</i>)
Overall Execution & Coordination Rating (1-5)	5 / 5 (<i>Seamless execution and time management as a solo developer</i>)
Any issues during demo	Minor latency during live Google Gemini API quiz generation.
How issues were resolved	Handled gracefully by explaining the asynchronous background request flow and demonstrating cached/parsed response handling while the API response completed.
